Who is Dutch cabinet company?

The roots of Dutch Cabinet Company came from a construction crew that Larry and Terry Wagler started while following in the footsteps of their father. After many years of traveling, the Waglers felt compelled to work at home closer to their growing families. With hard work and dedication the Dutch team has quickly surpassed expectations.

What are weather-resistant outdoor cabinets?

Our weather-resistant outdoor cabinets are designed to minimize maintenance and maximize enjoyment of your outdoor living space. Season after season, our custom made cabinets and storage solutions stand up to the sun, extreme heat and cold, rain, salt, and wind without compromise. Made right here in the United States.

What makes Dutch custom cabinets different?

Dutch custom cabinets are finished only with the highest of quality products. Our multiple step finish from tinted primers and multiple coats along with a final top clear coat gives Dutch the difference you can feel. Custom colors are no problem. Multiple standard stain and paint finishes to choose from all with a standard baked on finish.
