What flexibilities can contracting officers use to support emergencies?

Contracting officers may use the following flexibilities to support emergencies: System for Award Management (SAM). Contractors may not need to be registered in SAM when submitting offers for contracts awarded due to unusual urgency or by deployed contracting officers supporting military, diplomatic, or emergency operations overseas. (See 4.1102).

How many advance contracts does FEMA have in FY2025?

In FY2025, FEMA has 106 advance contracts in 48 mission-essential areas. The Transportable Temporary Housing Unit Program - National Log House Program supports survivors during federally declared disasters. Services include hauling, install, maintenance, deactivation and group site construction of temporary /manufactured housing.

How do I manage and run reports on contract award data?

To manage and run reports on contract award data, access the DataBank. To search for specific contract award data, use the "Contracting" domain and select "Contract Awards." Contract data provides detailed information on all contract actions that are required to be reported by federal agencies.
