Who invests in Cambodian infrastructure projects in 2022?

Of the multilateral investors, Japanese International Cooperation Agency (JICA) and ADB are the largest financiers of Cambodian infrastructure projects in 2022.

How much money does Phnom Penh invest in 2022?

The investment is reportedly USD4bn. According to the Council for the Development of Cambodia (CDC), as of the first half of 2022, Phnom Penh had attracted around 1,000 new investment projects, especially high-rise buildings and new townships, covering a construction area of 4.63m sqm, and with over USD2.26bn of investment capital.

Why is Cambodia a good place to invest in infrastructure projects?

Cambodia has seen a good growth in asset portfolio of such local players who have been able to join hands and also diversify to new sectors, as the growing economy offers such opportunities. Cheap and long term financing - The ability to raise affordable long-term capital to finance infrastructure projects remains a challenge.

Could a railway connect Phnom Penh to Bavet?

The RGC has announced the possibility of building a railway connecting Phnom Penh to Bavet town. A Chinese firm conducted its feasibility study in 2020.<sup>37</sup> As Bavet is situated at the international border between Cambodia and Vietnam, the railway would help to boost international trade connectivity.
