Who owns a generator in New Zealand?

Meridian Energy,Genesis Energy and Mercury Energy are 51% majority owned by the New Zealand government,while Contact is a 100% publicly traded company. An important feature of the New Zealand market is that all the major generators also own retailing arms. The companies are thus commonly known as "gentailers" (generator-retailers.)

Who are the generating companies in NZ?

There are a number of smaller companies in the electricity generation industry including WEL Networks,NZ Windfarms,NZ Energy,MainPower,Pioneer and Top Energy. The retail space is dominated by the five generating companies.
