Huawei has won the contract for the world's largest energy storage project, the company said on Monday.

China's Huawei has built a 400 MW/1.3 GWh solar-plus-storage off-grid facility in Red Sea New City, Saudi Arabia.

This 1300 MWh off-grid energy storage project is the largest of its kind in the world and represents a milestone in the global energy storage industry.

[Huawei signs the world's largest energy storage project] Huawei Digital Energy Technology Co., Ltd. and Shandong Electric Power Construction Third Engineering Co., Ltd. successfully ...
