What is batteryhouse Sdn Bhd?

BatteryHouse Sdn Bhd - Providing the best energy storage solution! Compared with traditional battery technology, lithium-ion batteries charge faster, last longer and have a higher power density for more battery life in a lighter package. When you know a little about how they work, they can work that much better for you.

What are labtron lithium ion battery storage cabinets?

Labtron Lithium Ion Battery Storage Cabinets are engineered for secure storage and controlled battery charging environments. These cabinets feature self-closing, oil-damped doors and triple hinges for maximum structural endurance. They are constructed with a powder-coated steel body and integrated leak-proof sump for safe containment.

Who is batteryhouse partnering with?

From delicate devices to sprawling industrial setups, we redefine the possibilities of energy solutions. BatteryHouse proudly partners with renowned battery brands, including Banner, TN Power, and Discover. This collaboration enhances our commitment to quality and diversity, ensuring a comprehensive range of energy storage options.

Who is batteryhouse?

Anchored in technology, driven by unwavering commitment, BatteryHouse leads the way in crafting lithium battery assemblies. Our solutions transcend limits, propelling us forward in a world of constant change. BatteryHouse is an artisan of lithium battery innovation. With seasoned experience, we redefine performance, efficiency, and reliability.
