-----  
What types of cabinets are available in NZ?

Choose sloped or flat roofs for indoor installs in dairy, food, or freezing works--or weatherproof pillar, kiosk, monstrostyle, and data rack cabinets for outdoor use in mining, security, EV charging stations, and more. All cabinets are made to perform in NZ's toughest conditions. Forget uncertainty, shipping delays, or second-guessing the spec.

Where are PFS electrical cabinets made?

At PFS,we build electrical cabinets that are made to measure,engineered to last,and built right here in Hamilton,New Zealand,and shipped nationwide. Whether you're dealing with space constraints,harsh conditions,or tight timelines,we make it easier to get the enclosure you need without the hassle.

Are field cabinets fabricated in-house?

All enclosures are fabricated in-housefor precision,speed,and ISO 9001-certified quality. They are designed and built to IP- standards. Built to your required IP rating,our field cabinets are ideal for mine sites,EV charging stations and more.
