What is a Type 4 telecom power outdoor cabinet?

The Type 4 telecom power outdoor cabinet is a new generation platform designed to meet customer needs, give configuration flexibility and supports a variety of applications. The cabinet is well suited for power, batteries and telecom equipment.

What is a power cabinet used for?

The cabinet is well suited for power, batteries and telecom equipment. within the outdoor plant depends upon a cool, dry and secure environment for the electronics such as the DC power and Telecom equipment.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

Why should you choose a Type 4 outdoor power cabinet?

within the outdoor plant depends upon a cool, dry and secure environment for the electronics such as the DC power and Telecom equipment. The Type 4 Outdoor Power Cabinet more than accomplishes this with its Thermal Management that will keep sensitive electronics functioning in extreme environments.
